## INTRODUCTION

Southern Garden History Society offers scholarships to attend the annual meeting to bona fide students enrolled in college and university majors relevant to the mission and goals of the society. Entry level professionals working in the field of historic horticulture or historic preservation not currently enrolled in a course of study are also encouraged to apply. Previous recipients are ineligible except that students may apply for scholarships once while an undergraduate and once while pursuing a graduate degree. Up to three scholarships may be awarded per annual meeting. The scholarship provides a waiver of registration fees plus \$500 to assist with travel and lodging. Applications, consisting of this form, a letter from the applicant stating his/her course of study, interest and career objectives, and a letter of recommendation from the student's advisor or immediate supervisor certifying the student or professional is enrolled in a degree granting program or employed in stated field, should be sent to Jeff Abt, the society's scholarship chairman at ([j.abt@mac.com](mailto:j.abt@mac.com)) no later than **March 1**.

In return, recipients are asked to write a brief report (up to 1,000 words) on their experience and present it to Jeff Abt, scholarship chairman, no later than 30 days following the annual meeting.
